2ND MAY 2025 | SUMMER TERM | ISSUE 15

A season to be proud of...

Well done to the Year 9 football team. They have been un-beaten in league and cup fixtures until Tuesday's cup final.

It was a hard-fought game against a very strong St George's team who eventually came away the 2-1 winners.

Well done on all of your dedication and hard work during this amazing season Year 9 we are very proud of you. Mr Bartlett

LANGUAGE LEADERS

Since November, a number of Year 9 students have been working hard every Thursday to plan and create a fun and engaging foreign languages lesson for younger students from Townhill Junior School.

On the 3rd of April we finally put our lessons into practice teaching a mixture of Spanish, German and French, covering various topics like food, countries, sports and animals.

We were resilient, the students made great progress in learning and we all had lots of fun!

OUTDOOR LEARNING GAMES

We started the summer term in Outdoor Learning by playing wide games and very energetic it was too! There was some great teamwork and communication by Year 7, well done! The bluebells are still thickly blanketed across the woodland floor and it really does start to feel like early summer now.

STUDENT NEWS

Well done to Bonny K in Year 8 who won the U14 Hampshire Cup with her Southampton Academy team!

Bonny played in goal and her team won 4-0!

Congratulations to Isla M in Year 8 who has recently competed in the National Junior Indoor Rowing Championships and won GOLD!

The Junior Indoor Rowing championships is an event where young people row as far as they can in a certain amount of time.

There were over 8,000 entries across all categories and Isla's category was the Year 8 Individual Girls SEND where there were 13 competitors. They are given two minutes to row as far as they can and Isla rowed a whopping 456 metres in this time - a real accomplishment! Well done Isla.

HAMBLE CLUB YOUTH

GCSE TEXTILES TRIP

Our GCSE Textiles students went to Spud Works in Sway in the New Forest last week to see an inspiring exhibition of five local textiles artists.

The work showcased a variety of traditional and contemporary processes and provided our students with some fantastic ideas and inspiration for their work.

ALUMNI NEWS

Congratulations to former Gregg student Sophie Barnard who has been cast as Eve/Mana Noah in the Mayflower Studios production of Children of Eden.

This is a Stephen Schwarz musical which will be performed in July.

Tickets are available using the link below:
